Just flip the switch for the new sensation
Or flip it off for punk of the streets (and they say)
WE STANDÂ...OUTSIDEÂ...WonÂ't be like them
WE STANDÂ...OUTSIDEÂ...Like we give a shit

Better get back to the factory
Poisonous gas is killing meÂ...ALL ON THE OUTSIDE
Watch them come, watch them fall
Read the writing on the wallÂ...ALL ON THE OUTSIDE

Full speed ahead in the wrong direction
Why we wake up now from this fantasy (and they say)
WE STANDÂ...OUTSIDEÂ...never be like them
WE STANDÂ...OUTSIDEÂ...Like we give a fuck

Better get back to the factory
Poisonous gas is killing meÂ...ALL ON THE OUTSIDE
Watch them come, watch them fall
Read the writing on the wallÂ...ALL ON THE OUTSIDE

Like thisÂ...ALL ON THE OUTSIDE
ALL ON THE OUTSIDE
We standÂ...ALL ON THE OUTSIDE

When they say streetpunkÂ's through
Just lookÂ' em down and say fuck you

We standÂ...ALL ON THE OUTSIDE
ALL ON THE OUTSIDEÂ...from you
ALL ON THE OUTSIDE
ALL ON THE OUTSIDE
Watch them come, watch them fall
Read the writing on wall
(donÂ't know line please add)

When they say streetpunkÂ's through
Just lookÂ' em down and say fuck you
