Â...ITÂ'S A BLAND NEW AGE
Killing the dream, killing the dreamÂ...
Package clichÃ© it all SOUNDS THE SAME
Standing asleep, Standing asleepÂ...
Eyes glassed over by your T.V. SCREEN
Marketing and research, itÂ's all dollars and cents
Mass produce rebellion in this bland new age
Zombified by T.V like a science fiction movie
Selling state slogans to make a name

Wake upÂ...it sucksÂ...WeÂ're StuckÂ...NO WAY
Wake upÂ...it sucksÂ...WeÂ're StuckÂ...NO WAY
Wake upÂ...ThereÂ's noÂ...Escape
DAWN OF A BLAND NEW AGE

Killing the dream, killing the dreamÂ...
Package clichÃ© it all SOUNDS THE SAME
Standing asleep, Standing asleepÂ...
Eyes glassed over by your T.V. SCREEN
Using DIY and dogma, youÂ're a cut above the rest
NothingÂ's achieving weÂ're back to square one
Dis this, Dis that, Dis image to protect
With the fear of being judged, whereÂ's the fun?

Wake upÂ...it sucksÂ...WeÂ're StuckÂ...NO WAY
Wake upÂ...it sucksÂ...WeÂ're StuckÂ...NO WAY
Wake upÂ...ThereÂ's noÂ...Escape
DAWN OF A BLAND NEW AGE

This song has been playedÂ...IN A BLAND NEW AGE
This song has been playedÂ...IN A BLAND NEW AGE
Just think what we could have beenÂ...IN A BLAND NEW AGE
Fuck itÂ...is there room for changeÂ...IN A BLAND NEW AGE
NO!

BLAND NEW AGE!
