I paid my dues, the checks in the mail  
When I walk downtown, everything's so stale  
I've got a job, yet you treat me like a bum  
Everywhere I go, I'm a walking disaster

I'm bulletproof...your words, they don't go though  
Whatcha gonna do...when I turn around & spit on you  
Spit on you like some uncivilized bastard

We are uncivilized bastards!  
We are the uncivilized bastards

They call us scum, but they are the ones to blame

I'm bulletproof...your badge don't mean shit  
Whatcha gonna do...when I totally disregard you  
& flip you off like an uncivilized bastard

Stand up & have a say  
We won't be treated this way  
Our voice is getting stronger  
& the nights get longer  
Fucked up when sirens pass  
You say we've got no class  
Monday morning we'll start all over  
While Friday night we're uncivilized bastards  
We are...
