Ooh, everybody's got a story  
I'm calling out but no one's got the time  
Didn't I tell you I was drifting?  
Didn't I tell you I was slipping?  
Oh, but no one's got the time  
'Cause they're all looking for their answers  
Looking for their signs  
Looking for a little peace of mind

Give me something to believe in  
Tell it to me with conviction  
Make me feel like everything's alright  
I can't stop this awful feeling  
Something in me won't stop reeling  
Make me feel like everything's alright

Inside I'm still somewhat learning  
As the world keeps spinning round and round and  
round  
'Cause we're all looking for the answers  
Looking for the signs  
Oh, I'm looking for a little peace of mind

Would you give me something to believe in  
Tell it to me with conviction  
Make me feel like everything's alright  
I can't stop this awful feeling  
Something in me won't stop reeling  
Make me feel like everything's alright

Falling behind  
Keep on falling behind  
Throw me a line! (Throw me a line! )  
Throw me a line! (Throw me a line! )  
Throw me a line! (Throw me a line! )  
Throw me a line! (Throw me a line! )

Give me something to believe in  
Tell it to me with conviction  
Make me feel like everything's alright  
I can't stop this awful feeling

Something in me won't stop reeling  
Make me feel like everything's alright  
Make me feel like everything's alright  
Make me feel like everything's alright
