I will try when he's gone
And I wont reminice
About the kisses I'll miss
I'll move on

I don't like
What you are
Cause you tell me I'm wrong
When I'm just being strong
It's so far

And I was everything back then
I wasn't sure how this should end

Now I won't
Fall apart
I'll just wither away
Cause I know that he'll stay
In my heart

Now I know who was wrong
But I almost forgot all the things that I'm not
Though this took so very long

And I was everything back then
I wasn't sure how this should end
And I'll say no more

And I speak what is true
There were pleasantries spoken
Many promises broken
Attentions they grew

And now I've had my fill
And I'll dance on the street
Just to prove that I'm great
I feel I'll
