### "Be My Thrill"

Be my thrill  
My little white pill  
My unpaid bill  
The one who will  
Be my love  
My little grey dove  
My push and my shove  
My heaven above  
And we tumble down like Jack and Jill  
And I miss all of the joy you kill  
But I love you still  
Be my thrill  
Be my one  
My day in the sun  
My little pop gun  
The best thing I've done  
Be my what  
My open and shut  
My everything but  
My little hot slut  
And we tumble down like Jack and Jill  
And I miss all of the joy you kill  
But I love you still  
Be my thrill  
Every morning is like the one before  
And Everybody needs someone to adore  
I'm counting on you  
Oh oh baby say you will  
Oh oh baby be my thrill  
Be my youth  
My kissing booth  
My little sweet tooth  
My beauty and truth  
Be my thrill  
My little white pill  
My wait up until  
The one who will  
And we tumble down like Jack and Jill  
And I miss all of the joy you kill  
But I love you still

Be my thrill  
And we tumble down like Jack and Jill  
And I miss all of the joy you kill  
But I love you still  
Be my thrill  
Yeah I love you still  
Be my thrill
