Verse 1:

I was in love
I could feel it
And my heart tried to reveal it
But my mind said no
I told you so
When you asked me out
I had my doubts
Uncertainty
You were right for me
Were we meant to be
Were you right for me

Chorus:

The heart versus mind
It happens all the time
The battle of two wills
Call it what you will
My heart said go
But mind said no
Verse 2:

With looks so lush
You made me blush
With eyes so dreamy
You should have seen me
My heart said go
But my mind said no

Repeat chorus

Verse 3:

I can say with certainty
That you're not right for me
But still I love you so
But I have to say no
And wait
Hold on to my faith
That God will give me a love

Sent from above

Repeat chorus
