Verse 1:

I asked you the way to your heart
And you told me I was always there
It's nice to know you care
It brought tears to my eyes
When I realized
How much You love me
I've never truly loved someone before
Until You I was never sure
It was love
You understand me in a way
That not many people do
I love you
You saw through the disguise
You saw the tears in my eyes
That I could not cry
And didn't even want to try

Chorus:

So when anyone asks me
Who the Love of my life is
I tell them you

I knew you were the one
I'd love for the rest of my life
You are the love of my life

Verse 2:

What can I say
About the love that changed my life
Other than I love you
I've never met anyone like you
That sees life the way you do
The love you've given me
For eternity
Saved me

Repeat chorus

Bridge:

I don't deserve such a love
But I thank God above
That he sent you

The love of my, the love of my life
The love of my, the love of my life
