As silence fuck your brain, the smoke slowly will fade  
Where zombies had their way in the swastika parade  
Your country lies in ruins, decaying bodies rot  
Million after million, the death toll never stops

An almighty ruler, the chosen one  
Creator of bloodshed, who has won  
In advantage of surprise warfare, the wehrmacht on  
the rise  
Blitzkrieg struck the unaware, the treaties were just lies

Systematic brainwash spreading the disease  
Order through terror, as lunacy increase  
You'll never find a shelter, the blood hounds never rest  
The stormtroopers of death are craving your arrest

An almighty ruler, the chosen one  
Creator of bloodshed, who has won  
The troops were marching to their doom, not knowing  
of the cold  
But winter fell upon them soon and none were getting  
old

Mass hypnosis, blind they fall  
Propaganda mind control  
Lashed delirium multiplies  
Worship lunacy and die

Grim totalitarian with intent to erase  
Dissidents and unfits, cleansing of the race  
No mercy in hate, death accelerates  
The war drags ever on, journey to oblivion  
Tanks are rolling, armies fall in blood

A mind besieged by hatred, equipped with marionettes  
Accommodating henchmen, in factories of death  
The final solution for the eternal Jew  
Annihilating death cramps, a mad cadaver zoo

An almighty ruler, the chosen one  
Creator of bloodshed, who has won

Lebensraum at any cost, the troops were sacrificed  
No surrender, all is lost, exterminated Reich

Mass hypnosis, blind they fall  
Propaganda mind control  
Lashed delirium multiplies  
Worship lunacy and die

Massgrave without tombstone, countless corpses rot  
Skeletons are ghostly victims of the plot  
Blindfolded humanity, mankind's insanity  
In the cramps, no doubt, there's only one way out  
Through the chimney, vanish in the air
