It seems a bit unclear  
Oh as I wallow in my pint of fear  
With a lost heart and broken cheek bone  
When the love is lost, it's as good as gone  
Stop Stop go crazy all the time  
Oh and she aint simply your kind  
Oh as I go soar and weepin' please shut up  
Cause tomorrow I just may wash away

The hustler keeps on hustlin' me  
Doin' what i wanna cuse i got to be free  
The devil is a woman and she took my soul  
Claws in me, she wont le me go  
Down to the river to drown myself tonight

Long time  
Long time

Sat in cold it crosses me tonight  
Floatin crashin' gaspin' out to sea  
But i'll sink below into eternity

The hustler keeps on hustlin' me  
Doin' what i wanna cuse i got to be free  
The devil is a woman and she took my soul  
Claws in me, she wont le me go  
Down to the river to drown myself tonight

Long time  
Long time

It seems a bit more clear  
As I wallow in my pint of fear  
Black heart gonna sink like a stone  
When the love is lost, life's as good as gone

The hustler keeps on hustlin' me  
Doin' what i wanna cuse i got to be free  
The devil is a woman and she took my soul  
Claws in me, she wont le me go  
Down to the river to drown myself tonight

Long time  
Long time
