I wish I was pilot,  
Soaring over everyone and everything.  
Looking at the landscape  
What a peaceful tiny scene

Staring over the skyline  
Oh I feel the blue dancing on my wings  
Turn off the engine  
Imagine what tomorrow brings

Chorus:  
The time we wont delay  
Take it from the other side  
Born and lost but its a one more time  
To get my fill  
Of this old forgotten thrill, this life

I wish I was a fighter pilot  
Soaring over everyone and everything  
Through the smoke and fire  
Imagine the hell Iâ€™d bring

The time we wonâ€™t delay  
Take it from the inside  
Born and lost but its a one more time  
To get my fill  
Of this old forgotten thrill, this life

But itâ€™s cold, lost and shame  
Wash it all out  
Wash it all away  
Now the story's old  
But its all been told  
I wish that I  
I wish id fly  
Alright!

I wish I was an outlaw  
Spend my life kicking ass and takin' names  
There would be no love lost  
Town to town killin dreams

The lines they turn to gray  
Take it from the inside  
Born and lost but its a one more time  
To get my fill  
Of this old forgotten thrill, this life

A one more time,  
To get my fill  
Of this old forgotten thrill, this life
