I know I can bring you down  
But it's alright, it's alright yeah  
I know I can break your smile  
But it's alright, it's alright

And baby I know I'm not the kind of girl I'm supposed to  
be  
I'm supposed to be  
And baby we both know  
You could just go up and leave me

The first page is always the hardest to do  
But by chance this format works  
I'll breathe 'till I'm blue

The water is dripping down  
But it's alright, it's alright yeah  
Cause I wear a beautiful frown  
And it's alright, it's alright

Cause baby I know I'm not the kind of girl I'm supposed  
to be  
I'm supposed to be  
And baby we both know  
You could just go up and leave me

The first page is always the hardest to do  
You take another  
And then I'll take two  
And if you don't want me  
The I won't blame you  
But by chance this format works  
I'll breathe 'till I'm blue

And baby I'm not the kind of girl I'm supposed to be  
I'm supposed to be  
And baby we both know  
You could just go up and leave me

I can't take all this tension  
It's too much for my head  
I don't need the distraction

I won't sleep 'till I'm fed

The first page is always the hardest to do  
You take another and then I'll take two  
And if you don't want me  
Then I won't blame you  
But by chance this format works  
I'll breath 'till I'm blue

It's alright (x8)
