I smoke a joint tonight  
Me and all these dinosaurs is blazin blunts tonight  
We blazin blunts tonight  
We blazin blunts tonight  
Me and all these dinosaurs is on a hunt tonight

(verse 1)

I only spit this one time so let me take it slow  
I started to get high about an hour ago,  
But then the buzzer rang, I looked out the peephole  
It was a whole bunch of raptors and they just won't go  
I stepped back and the knocks I just tried to ignore  
Thought I was safe but they knew how to open doors  
And without even asking they just came on in  
Started smokin' my weed and then they called their  
friends.

(chorus 1)

I smoke a joint tonight  
I smoke a joint tonight  
Me and all these dinosaurs are rollin' bones tonight  
We rollin' bones tonight  
We rollin' bones tonight  
Me and all these dinosaurs is gettin' stoned tonight

(full chorus)

I smoke a spliff tonight  
I smoke a spliff tonight  
Me and these dinosaurs is gettin' freakin' ripped  
tonight  
We gettin' faced tonight  
We gettin' faced tonight  
And all these dinosaurs is crashin' at my place tonight

(verse 2)

An Allisaurus in the corner tryin' to pack the bong  
Hot boxin' in the john with a teridon  
Now a compy and a stega startin' to get it on  
But I can barely move because this weeds' the bomb  
A kellasaurus makin' smores and eatin' lucky charms  
The pterodactyl took my whole bag of pepper ridge  
farms

T-rex just went and set off the fire alarm  
And now he can't get it out because he's got little arms

(chorus 1, 1x)

(verse 3)

Now my neighbors on the phone said she called the  
cops  
And this really freaked out the triceratops  
He's tryin' climb out the window and we yellin' stop  
Cause I'm on the fifth floor and it's a heck of a drop  
We heard a knock then the cops said they wanted in  
Then the cirolliphus tried to go and talk to them  
But he made things worse cause he reeked of weed  
and gin  
But luckily the laphasaurus quickly jumped on in.  
They said we were too loud and that folks were in bed.  
The laph' told the cops we would be quiet and said  
But then they shined the light and asked why his eyes  
were red.  
We were busted, so that's when he bit of their heads

(repeat full chorus 1x)
