And in the time it takes to feel, I could swear that you  
get closer every day  
And my only hope is when it all comes real, I don't fuck  
it up and throw it all away  
'cos every time the chaos starts - time after time  
The message screams into my heart, we're always an  
ocean apart  
(you're always in my heart)

CHORUS:

Oh, woah, woah, you beautiful thing you  
You beautiful thing you, you beautiful thing (aah-aa  
aah-aa aah-aah-aah)  
Oh, woah, woah, you beautiful thing you  
You beautiful thing you, you beautiful thing  
When I console myself when life is throwing spears,  
there's a growing love the spirit deep inside  
And a part of me has felt it getting near, trying  
patiently to [brave/break] the great divide  
And if I fall I won't look down - I'll face the sky  
I'll be there second time around - to practice the  
balance I've found  
(I'll always be around)

CHORUS

Always an ocean apart  
(you're always in my heart)

CHORUS

(you beautiful thing)  
You beautiful thing (you beautiful thing)  
You beautiful thing
