All alone, cover your self opinion
Then you amuse me but mostly yourself
In your hell, hell is waiting for a pillows inside of your
head's out the wall, everlone
Ooo-oo

Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend and leave me alone

Draw the line for yourself you do it
Kindly most interesting but some arrive
In your mind, you can talk about the world in a
bombshell, that's how you survive
In your mind

Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend and leave me alone, O-oh, Wo-oh, Wo-o-
oh, Wo-o-oh

Aaaah-awaaah!

Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend for five minutes, five minutes, five
minutes, that's all you can
Be my friend for five minutes, five minutes, five
minutes, that's all you can
