Stay her in the concert hall
In the [work place] 'tween the nasty walls
The authority who says she bought it all

CHORUS:

Give the girl a gun, give the girl a gun, he ain't no-one,
give the...

Teach her how to kill a man
Give her new laws, [proper female stand]
You expect her to trust in anyone

CHORUS

Arm her with a can of mace
Just to spray in- to the bastard's face
Another victory she'd rather not have won

CHORUS:

Give the girl a gun, give the girl a gun, he ain't no-one
(x4)
Give the...
