(hey... hey... hey.. hey.. hey, hey, hey, hey)
Wake up bad and I can't sleep back, if I can't sleep
back then I'm waking black
And the whole world's covered in crap
And the [.. .. sea] got a whole lotta smile, got a whole
lotta smile like they got it on tap
Oh well if i can't do nothing but sit and cry, I've a-
something better to do
Give me half a bottle and leave me right
If you lean on me then I'll lean on you, well can I lean on
you with

CHORUS:

Pain, pain, hey, hey, hey - got another day
Hey, hey, hey, hey, hey - to find another way, today is
hate the world day
Hey, hey, hey, hey, hey - I can't get positive, to get it
over with
Hey, hey, hey, hey, hey - today is hate the world day,
hate the world day
If the light's too bright and I wanna have style there's a
time when I don't wanna open my eyes
'til the negativity dies
'cos I ain't no use to the world outside if the world
outside isn't giving a shite
Oh well if i can't do nothing but fear and play for a
generation of sussed
Then I hold my head and I hear them say:
"we will stay by you if you stay by us", maybe I'll be a
wussy

CHORUS:

Hey, hey, hey, hey, hey - I'm in the dark again
Hey, hey, hey, hey, hey - I count alone to ten, today is
hate the world day
Hey, hey, hey, hey, hey - I'd rather be on Mars
Hey, hey, hey, hey, hey - staying very calm, today is
hate the world day, hate the world day
... and now and then I get a near to you, something that
I might adhere to
Even 'though I don't appear to, I still want you just the
same

But the mood is all I blame, and tomorrow will I fall in
love again?

{brief riff from mondo...} yeah... ah, ah, ah...

(woh-o oh, woh-o o-o-o-oh, o-o-o-oh, o-o-o-oh o o-o-o-
oh)

When I wake up bad and I worn out styles, a time when I
don't wanna open my... eyes

Oh well if I can't a-do a-nothing but a-sit and a-cry, I've
a-something better to do

Give me just one day and I'll make it by

If you lean on me then I'll lean on you, well then I'll lean
on you with

CHORUS:

Pain, hey, hey, hey, hey - I've got another day

Hey, hey, hey, hey, hey - to find another way, today is
hate the world day

Hey, hey, hey, hey, hey - I can't get positive

Hey, hey, hey, hey, hey - just get it over with, today is
hate the world...

Today is hate the world... today is hate the world day

Today - hate the world day

Hey - hate the world day (x3)

Today - hate the world day (x5)
