Ahhh yes, it's just like the time
Back in '89, they said "You'll be fine,
Jus' suck a little dick"

And the standards are fine, i want more
Gonna open the bargains in store
Why the hell did they wanna sign me?
I'm a liability
Goodbye East West, God bless The Wildhearts
In like Flynn
In out in
In like Flynn
In like Flynn
In out in
In like Flynn
In out in
In like Flynn
In like Flynn
In out in
In like Flynn

Oh no, it's that time again
When you realise, just a bit too late
Sounds familiar

And we do what we said we would do
And we proved we were better than you
Now you pick out the fence from your arse
And you dream of popstars
In our souls we trusted

In like Flynn
In out in
In like Flynn
In like Flynn
In out in
In like Flynn
In out in
In like Flynn
In like Flynn
In out in
In like Flynn

In out in
In like Flynn
In like Flynn
In out in
In like Flynn
In out in
In like Flynn
In out in
In out in
In like Flynn
