well I used to think that bad times lay behind me, I used
to think I'd had my share of pain
my friends all tried to tell me I was dreaming, yeah but
I just stood behind you all the same
come take me down and make me dirty, well I guess
that's all I've ever been
well I should have realised there ain't no reason, I
should have seen the writing on the wall
the Frankenstein you tried creating to give your trust
and I'm still waiting
take me as I am or not at all
the only thing I ever wanted was the only thing you
never gave

CHORUS:

oooooh I la-la-la-la-la-la love ya, until I don't
oooooh I la-la-la-la-la-la love ya...
and if it takes me all my life just to get you out of my
head
well (maybe/ baby) I'd rather be dead, (waaaauh!)

{reggae bit!}

when I get hot she turns away, I wish I'd never called to
say...
ooooh yeah

CHORUS

now honey please (now honey please) (x8)
