Up and down, rock and ride
And around, and around, and around, and around

Mood swings and roundabouts
It's all moods and swings and roundabouts
It's all mood swings and roundabouts
It's in your head man - sort it out

I'm sure that i can't change
Get it up, get around, get it up, get around

Mood swings and roundabouts
It's all moods and swings and roundabouts
It's all mood swings and roundabouts
It's in your head man - sort it out
(fast forward, fast forward) Sort it out!

(I've got a headache!)
Get it up, get it up, get it up, get it up
Get it up, get it up, get it up, oh fuck it!

Mood swings and roundabouts
It's all moods and swings and roundabouts
It's all mood swings and roundabouts
It's in your head man
Sort it out!
(bastard!)
