Suffer with a [...] [shitty] (o!)
[solid] [...] beaver suicide, suicide
Terror being in power daily (o!)
Can't we lay a ducking advertise?

Listen to me, I'll sing along
Listen to me, I'll sing along
Listen to me, well I'll sing along to myself
I can't make it alone, I've got to sing to myself
I should a-really be a-making south, well...

CHORUS:

Access me (down to Seattle)
Well it's a culture thing (down to Seattle)
And it's a [goods] on me (down to Seattle)
Some[day]
[gather lazy] suck me, sue me (o!)
[Cheryl] remake heartache, misery
Cone and get a [beachy] feeling (o!)
Don't get hero fuck it loyalty

Listen to me, I'll sing along
Listen to me, I'll sing along
Listen to me, well I'll sing along to myself
I can't make it alone, I've got to sing to myself
I shouldn't really be a-wor-a-king a-here at all

CHORUS:

Access me (down to Seattle)
Well it's a culture thing (down to Seattle)
And it's a [glitter] on me (down to Seattle)
Some[day] aaw!
Access me (down to Seattle)
Well it's a culture thing (down to Seattle)
Well it's a [glitter] on me (down to Seattle)
Some[day] aaw!
