Hey, I could be [tired, white a-my] skin is a nigger  
inside  
Hey, look at my face, how I don't change in a satisfied  
grace  
Yeah, [two can be elected, saying on a one thing,  
getting just a-friendly]  
Yeah, working on a system, winning and the chance is  
you already missed 'em

No-none trust me, it's tough, [...]  
He's about, hate me, insane, [it's the]

CHORUS:

Non-stop S.I.N. (x4)

Hey, look at me now, check out my form and [I'll be a-  
right out]

Hey, feeling undone, chip away envy, you're working  
[on one]

Yeah, you could be a something, busy doing nothing,  
what the fuck you learning?

Yeah, get yourself a brain [there], you could be a  
[scene-head], you could be a [scientist]

[once a seeing], no prob. being, [... ..] welcome [..]

CHORUS:

Non-stop S.I.N. (x8)

You could be insane, stupidly to win, or you could fit  
right in, like everybody else

(hah, I even got the words wrong..) (shh..)

(i can get the... I can get the timing right then..)
