(do-do do-do do-do do-do do do (x6))

And I'm fine, getting by, I only think about you once in
awhile
That was then, not today, you never listened to a word
I'd say
I kept faith, gave you trust, I gave you friendship and
it's never enough
Give me time, give me space, give me the line that we
had when we knew our place

So try to make it easy on yourself, it'll work okay
Just last week as I was cleaning shit from off my shelf

CHORUS:

I found a photograph of someone I knew
Someone like you, someone like me
I found a photograph of someone I knew, someone like
you used to be
(do-do do-do do-do do-do do do (x4))
You get wise, you get old, you stop believing in
opinions you're sold
Heaven knows, you're [devine], you've got your fingers
in the public mind
And then shock!, open wire, you've got your dick a little
close to the fire
You're an asshole, again, and now you're back to
where your learning that the problem isn't them

So try to make it easy on yourself, it'll work okay
But just last week as I was getting close to someone
else

CHORUS

Used to be (x5)
(ra-raa-ra-raa)
(do-do do-do do-do do-do do do (x6))

So stop. and make it easy on yourself, it'll work OK
'cos no-one hates a fuck up 'less they're all fucked up
themselves

CHORUS
Used to be (x6)
