Hey girl, what can I do with you
When you take this old heart
And tear it in two
Is it asking so much
For you to be true
I'm an easy going man
Who takes all that he can

(Chorus)
But I tell you
It's not easy loving you baby
It's not easy wanting you so
It's not easy loving you baby
But it's harder girl, to let you go
It's harder girl, to let you go

Girl, I give everything I've got inside
How much more do you need
To keep you satisfied
I put up with so much
Lord knows I've tried
But in spite of all the pain
I try not to complain

(Chorus)
It's not easy loving you baby
It's not easy wanting you so
It's not easy loving you baby
It's not easy wanting you so
