Got a date with the devil
Got a child as a gift from God
When the moon finally falls down
It will split us all up

[Chorus]

Slip away, you'll never make it through, by the way
Well you might if you try
I don't care

Something's caught in the bushes
Someone left us a note
Of where to find what we're after
What to feel when we are down

[Chorus]

And it's yours to keep (softly)
[x3]

And it's your to keep
[x4]

[Chorus x2]
