We believe that winnings come with attitude and heart

Determination let it bring us through.  
The team that has the power to compete  
Even in the moment of defeat.

Go for gold in South Korea  
Go for gold in '88

There's a pinnacle for climbing down in Seoul the  
treasure waits.  
And there's metal on the mountain for the team that  
never stops

It's the dream for every sportsman who is reaching for  
the top.  
Hey  
Go for gold and we're going for the metal

Till we're standing in the middle

We're singing hey ja  
Go for gold  
Put the pedal to the metal

Till we're standing in the middle

We're singing hey ja  
Hey ja  
Go for gold!

The path is long and winding and it's easy to forget

There's a winner and loser every game.  
We're playing for each other and we're playing for the  
fans

They're always there to give the team a hand.
