Oh
Uh, she's a nightmare
You know the devil may care
She's nowhere
I don't wanna be in fidelity
Taste that bite
The girl's alright

She sucks all night
All night
All night
Looks in the mirror, she's outta sight
Alright

She's a bad girl
She's a bad, bad girl
She's the whole world
Unto herself
Bad for your health
Taste that bite
The girl's alright

She sucks all night
All night
All night
Looks in the mirror, she's outta sight
Alright

She's a bad girl
Yeah, she's a bad, bad girl
She's the whole world
Unto herself
Bad for your health
Taste that bite
It don't taste right

Sucks all night
All night
All night
Looks in the mirror, she's outta sight
Alright

All night
All night
All night
Looks in the mirror, she's outta sight
Alright
