It's really nice to hear your voice again
It's really nice to hear you breathe
I can't take it for another minute
When you're down on your knees

This is your brain
This is your brain
This is your brain on drugs

It's really nice of you to fuck me over
It's really nice of you to leave
I can't take it with a spoon of sugar
When you're down on your knees
Yeah

This is your brain
This is your brain
This is your brain on drugs

Just can't say no
Just can't say no
Just can't say no to you

Well this is your brain on drugs
This is your brain on drugs
This is your brain on drugs
Ba-ba-ba-baa
Ba-ba-ba-baa
Ba-ba-ba-baa
