Color your body with the rays of the sun  
Cinnamon girl you make my holiday fun  
Bonbonâ€¦Ah

People are watching as you walk on the shore  
Tropical girl you are the one I adore  
Bonbonâ€¦Ah

CHORUS:  
Your lips are chocolate candy  
You taste like chocolate candy, yeah  
Sweet coral lips kiss me  
Just one more kiss

Coconut oil melting over your skin  
Come on and dance the band is gonna begin  
Bonbon...Ah

When I'm with you I wanna rhythm to dance  
Queen of the sand, you put me into a trance  
Bonbon...Ah

CHORUS:  
Your lips are chocolate candy  
You taste like chocolate candy, yeah  
Sweet coral lips kiss me  
Just one more kiss

Goddess of the sun  
You're my only one

Let the music keep playing  
Don't let it stop (2x)

Oh..oh..oh

Goddess of the sun  
You're my only one

Let the music keep playing  
Don't let it stop

Let the music keep playing  
Don't let it stop

Let the music keep playing  
Come on and dance
