I Wanna Be,I Wanna Be  
I Wanna Be More  
I Wanna Be,I Wanna Be

He Says He Loves You  
Now You Don't Wanna Leave  
Your So Confused You Think Your Right Where You  
Wanna Be  
Im Always Here For You;Truth Is That Its Killing Me  
Cuz I Know When You Come Back What Its Gonna Be

I Let You Have A Good Cry  
Ive Bein Taking This Lying Down  
Now Im Inside Out  
I Think You Got The Wrong Guy  
If I Never Said It Before  
Girl Imma Say It Now

Hes Tearing You Apart  
The Heartbreak Dont Stop  
Come Home And Cry On Your Pillow  
Right Here To Catch You When You Fall  
You Know Im The One You Call  
Come Home And Cry On Your Pillow  
I Got A Shoulder You Can Lean  
Take It All Id Give You Me  
Cuz I Wanna Be Much More Than Your Pillow

More Than A Best Friend(Best Friend)  
I Think Its Evident  
That I Wanna Be More Than Your Pillow Girl

When Your Lonley  
When He Leaves You Again  
Im The One Standing By When You Need A Friend  
When Your Hurting  
When Your Hearts In Two  
Im The One Always Their To Help You Make It Through

I Let You Have A Good Cry(A Good Cry)  
Ive Bein Taking This Lying Down  
Now Im Inside Out

I Think You Got The Wrong Guy(Wrong Guy)  
If I Never Said It Before

Hes Tearing You Apart  
The Heartbreak Dont Stop(Dont Stop)

You Pillow)  
Right Here To Catch You When You Fall

Cuz I Wanna Be Much More Than Your Pillow(Pillow)  
More Than A Best Friend  
I Think Its Evident(Evident)  
That I Wanna Be More Than Your Pillow Girl

I Understand If Your Scared  
Cuz Baby Im Scared Too  
But If You Yake A Look Inside Your Heart Then You  
Know Its True  
Their Aint No Way He'll Never Love You Like I Do  
So Tell Me Whats The Use On Being On Some One  
Else(Some One Else)  
Tell Me Why You Do This To Yourself  
You Can Do Better Than That  
Your So Much Better Then That  
Said I Just Wanna Make You Happy Cuz This
