You know that I've been waiting  
To get you all alone girl  
And now there's nobody home but you and I  
Let's give our love a try

You can put your trust in me  
I won't let you down I promise! I promise, girl  
There's no need for bein' shy  
Girl, just let it flow, come on let yourself go

CHORUS:

Don't hold back, girl  
When you know what you feel is right--wo, oo, oh!  
Don't hold back, girl  
Give me all of your love tonight--wo, oo, oh!

You know you want my affection  
As much as I want yours, girl  
Don't be afraid to give a little more  
We're doing nothing wrong now

When I give my love to you  
I want it to be completely! completely, girl  
Girl, I need you here with me  
I want you to stay, let's take love all the way

CHORUS:

Don't hold back, girl  
When you know what you feel is right--wo, oo, oh!  
Don't hold back, girl  
Give me all of your love tonight--wo, oo, oh!

You can put your trust in me  
I won't let you down I promise! I promise, girl  
You know that my love is real  
So please don't resist  
I've been waiting for this

CHORUS:

Don't hold back, girl  
When you know what you feel is right--wo, oo, oh!

Don't hold back, girl  
Give me all of your love tonight--wo, oo, oh!

Don't hold back, girl  
Give me all your love  
Don't hold back, girl  
'Cause the feeling is right  
Don't hold back, girl  
Give me all of your love tonight wo, oo, yeah!! (3x)
