Give me your love, heavenly angel
Give me your love, under the rainbow
Give me your love, heavenly angel
Under the rainbow, now and tomorrow

Kiss me tonight, heavenly lady
Kiss me tonight, say yes, not maybe
Kiss me tonight, heavenly lady
Say yes, not maybe, sweet lips of honey

Hold my hand, Let me come near
Underneath the moonlight
Let me whisper in your ear
Just how much I love you
Love you, love you

Say that you love me too
Starry eyed princess
Say that you love me too
Love me forever
Say that you love me too
Starry eyed princess
Love me forever
Never say never

Give me your love
Heavenly angel
Give me your love
Under the rainbow
Give me your love
Heavenly angel
Under the rainbow
Now and tomorrow

Hold my hand
Let me come near
Underneath the moonlight
Let me whisper in your ear
Just how much I love you
Love you, love you

Say that you love me too
Starry eyed princess
Say that you love me too
Love me forever
Say that you love me too
Starry eyed princess
Love me forever
Never say never
