Got I catch that plane at
7:30
why haven't you came to say good bye
time is running out and I'm still waiting
I'm so lost without you I could die.
Yesterday you said you love me, everything seemed to
be fine
today you're not here I'm so lonely
is the waiting that's driving me out of my mind.
Don't know how I'll sing in that big city
how can I perform if you're not there
this will be the worst of all my journeys
the image of your face will follow me everywhere.

I need your tender kisses
the feel of your hands your caress
your perfume has me burning
my heart's yearning to touch you
I need you so much.

If you're not here, by my
side
I can't hold back the tears
I try to hide
don't think I can take it
I know I won't make it
make it without you
If you're not here,
by my side only your love keeps me
alive
no sense in dreaming
my live has no meaning
if you're not here.

I need your tender kisses....

.....

If you're not here,
by my side I can't hold back the tears
I try to hide
don't think I can take it
I know I won't make it

make it without you

If you're not here, by my side
only your love keeps me alive
no sense in dreaming
my live has no meaning
if you're not here.
