Dancingâ€¦uhuhâ€¦Spinning  
You've got me  
Turningâ€¦uhuhâ€¦Whirling

Magnetic dance machine  
Your light is always green  
I'm on your carousel  
Can't pull away  
From your spell

Restless...uhuhâ€¦Madness  
The way you  
Hold me...uhuhâ€¦Kiss me

Your electricity defying gravity  
Nothing can hold me down  
You sweep me right off the ground

When I dance with you girl  
I'm riding your merry-go-round  
My head is turning round and round

Circles in perpetual motion  
When I dance with you

Dancingâ€¦uhuhâ€¦Spinning  
You've got me  
Turning...uhuhâ€¦Whirling

My head is a spinning top  
With you I just can't stop  
The music turns my soul  
I'm flying out of control

When I dance with you girl  
I'm riding your merry-go-round  
My head is turning round and round

Circles in perpetual motion  
When I dance with...  
When I dance with...

When I dance with you

Dancingâ€¦uhuhâ€¦Spinning  
You've got me  
Turning...uhuhâ€¦Whirling

The way you  
Hold meâ€¦uhuhâ€¦Kiss me  
You've got me

Dancingâ€¦uhuhâ€¦Spinning  
The way you  
Hold meâ€¦uhuhâ€¦Kiss me  
You've got me (2x)
