Soon as it's over girl.

Soon as it's over girl,
I'll be who you run to.
(Clutch)

Go ahead, point him out.
I heard he got you over me.
Well, take a bow.
I know it was hard to get me
Outta ya, outta ya system.
The way it is,
How I get down.
Act like you forgot everything,
At least for now.
But it's gonna be hard to keep me
Outta ya, outta ya system.

Go ahead, have your fun.
Truth be told, we both know,
I'm the one.
So girl I know that you'll be back.
You'll be back as

Soon as it's over girl,
I'm gonna be who you run to.
Soon as it's over girl,
I'm gonna be.
I'll be right here.
Just as soon as he breaks your heart.
I'll be puzzling the pieces
You'll appreciate me, yeah.

I'm gonna be, I'm gonna be, I'm gonna be,
I'm gonna be who you run to girl.

Make a choice, don't make me chase.
I wont be the other man,
The Plan B, your just in case.
But I'll be here when you finally realize that I'm
All up, all up in your system. (system)
You're like a tie, you're a turn.

You keep going deeper and deeper, you aint gonna
learn.(deep down)
And I'll be your rebound
But I wont be, I wont be your victim. (victim)

Go ahead, have your fun.
Truth be told, we both know,
I'm the one.
And I know that you'll be back.
You'll be back as

Soon as it's over girl,
I'm gonna be who you run to.
Soon as it's over girl,
I'm gonna be.
I'll be right here.
Just as soon as he breaks your heart.
I'll be puzzling the pieces
You'll appreciate me, yeah.

I'm gonna be, I'm gonna be, I'm gonna be,
I'm gonna be who you run to girl.

Who you run to girl

Just give it some time
(Just give it some time)
Bet you gonna find
(Bet you gonna find)
Your gonna want me back you'll see (see)
Just give it some time
(Just give it some time)
Baby, you gonna find
(Whoa oh oh oh oh)
You're gonna end up back with me.
You'll see (youll see)

You'll be back as

Soon as it's over girl,
I'm gonna be who you run to.
Soon as it's over girl,
I'm gonna be.
I'll be right here.
Just as soon as he breaks your heart.
I'll be puzzling the pieces
You'll appreciate me, yeah.

I'm gonna be, I'm gonna be, I'm gonna be,
I'm gonna be who you run to girl.
