FUCK THE NEIGHBORS!!!

We don't really bother you, your just being jerks
how's it really our fault you gotta go to work?
say your gonna call the cops, your just being absurd
I hope that right now you can hear every word

Fuck the neighbors, FUCK THE NEIGHBORS
fuck the neighbors, FUCK THE NEIGHBORS
fuck the neighbors, fuck the neighbors fuck the
neighbors
fuck the neighbors, FUCK THE NEIGHBORS 1 2 3 GO!

All you ever do is bitch and complain
you say our fucking music is driving you insane
your not really reasonable your obviously absurd
i hope that right now you can choke on every word.

Fuck the neighbors, FUCK THE NEIGHBORS
fuck the neighbors, FUCK THE NEIGHBORS
fuck the neighbors, fuck the neighbors fuck the
neighbors
fuck the neighbors, FUCK THE NEIGHBORS 1 2 3 GO!
