[female voice:] hi welcome to fat fucks may i take your order?

[male voice:] uh yeah let i wanna triple extra sloppy megaburger

[female voice:] uh huh...

[male voice:] some motz sticks

[female voice:] uh huh...

[male voice:] gimme some tater tots with chili and cheese

[female voice:] ok....

[male voice:] uh fucking take a milkshake right?

[female voice:] uh huh...

[male voice:] half vanilla half cherry fucking put a cherry on it

[female voice:] uh huh...

[male voice:] and then a diet coke

[female voice:] would you like fries with that?

[male voice:] DID I ORDER ANY FUCKING FRIES!!!!

[whole song x2]

Going through the drive through
trying to place my order
why cant you ever get it right

i know you work here
i know you hate it
that doesn't mean you cant get it right

not trying to be rude
don't spit in my food
i just want you to get it right

i know your job sucks
but it's not that complicated
try real hard to get it right.
