They planted chips inside my head  
Computers underneath my bed  
dissecting all my memories  
of ornaments and Christmas trees

[x3]

Don't be afraid, don't be afraid  
Happy holidays from the C.I.A.

Don't be afraid, don't be afraid  
now everybody, everybody

They monitor my Christmas toys  
and harvest all my Christmas Joy  
alternate energy for cars  
popular currency on mars

[x3]

Don't be afraid, don't be afraid  
Happy holidays from the C.I.A.

Don't be afraid, don't be afraid  
now everybody, everybody

[x4]

I'm not insane, I'm not insane, I'm not insane,  
I'm not insane, I'm not insane, HEY!

I'm not insane, I'm not insane, I'm not insane,  
I'm not insane, I'm not insane, YOUR ALL CRAZY!!

I've had all that I can take  
might not make it through Christmas break  
I won't give in to the fear  
resolution for the new year

[x3]

Don't be afraid, don't be afraid  
Happy holidays from the C.I.A.

Don't be afraid, 'cause I'm afraid  
of everybody, everybody
