Happy holidays  
Cuts like razor blades  
when you don't really feel like celebrating Christmas

Felis la-di-da  
Comes off like Ha ha ha (echo)  
When you don't really feel like celebrating Christmas

I spent my whole paycheck on you  
Now I can't afford any food

I'm drinking cheap beer  
There's no holiday cheer for me on Christmas

Irreconcilable differences  
why must we go through all this again (echo)

Now I'm wrecking the halls  
with spray paint & paint balls on Christmas

No more carolers outside  
I'd rather commit suicide  
then hang out with your relatives  
one more fucking time

to decorate the tree  
with things that don't mean shit to me  
besides you took all the ornaments  
when we called it quits

I'm not returning any of your calls  
'cause everyone has gone and pissed me off  
and I'm taking back all your presents for Christmas

Happy holidays  
Cuts like razor blades  
when you don't really feel like celebrating Christmas

Felis la-di-da  
Comes off like Ha ha ha (echo)  
When you don't really feel like celebrating Christmas

Got a hospital bill from your boyfriend  
Seasons greetings card from your lawyer  
if that's not rubbing salt in a wound  
then I don't know what fucking is

I'm not returning any of your calls  
'cause everyone has gone and pissed me off  
and I'm taking back all your presents for Christmas
