Well the kids are tucked in bed,  
All the good nights have been said  
Time to put the presents underneath the tree

All gifts have been wrapped,  
Finally done with all this Christmas crap  
Lay out the cookies for Santa and pass the vodka to me

How Â'bout you and me go up on the roof  
With a bottle of at least 80 proof

We can stay up there all night  
Getting tangled up in Christmas lights  
And when weÂ're tuckered out  
WeÂ'll come down and pass out on the couch

Pitter patter of little feet  
will wake us from our sleep  
a hangover will remind us of how  
We spent our Christmas eve
