I've seen him flop this show before  
Thinking there's a quick fix for a bachelor's lonely  
score  
Relax, it's not conscript to war  
You're so desperate you should wear those flashing  
devil horns

Just cause she came here alone  
Doesn't mean she's not got the baggage of a long haul  
flight  
Just cause you're dancing slow  
Doesn't mean you're not hanging by a thread of spit  
tonight

This is not an IOU  
This is not an IOU  
Don't let her invoice for services rendered

This is not an IOU  
This is not an IOU  
Don't let her invoice for services rendered

Well done, you jumped in the shallow end  
When your blood rises up she'll chuck you in again  
It's holiday time, she's home with mum and friends  
But you're three months in you can't shake those  
jealous breaking ends (not sure about that last bit)

That paranoid pulse that beats your head  
Well you know that there's a reason why it beats there  
Though she says she loves you on the phone  
You know she's fucking like a vampire in her parents'  
home

This is not an IOU  
This is not an IOU  
Don't let her invoice for services rendered

This is not an IOU  
This is not an IOU  
Don't let her invoice for services rendered

Just cause she came here alone  
Doesn't mean she's not got the baggage of a long haul  
flight  
It seems you learn your lesson slow  
And that's how you get knocked out without knowing  
that you're in a fight

This is not an IOU  
This is not an IOU  
Don't let her invoice for services rendered

This is not an IOU  
This is not an IOU  
Don't let her invoice for services rendered
