I think the postman intercepts everything I try and send to you
'Cause he's infatuated and he's the fulcrum between us two
And i can't say i blame him 'cause i'd cheat a priest just to get to you

Oooooo...

She works in a dental practice 9 'till 5 how does she manage?

Considering her nights don't pass out 'till 3

So I guess that flossing is he last thing in her health routine

Oooooo...

And I don't mind that she gets hammered and goes home with other guys

There's no jealousy 'cause she's Little Miss Pipedream fantasy

Oooooo...

I saw her slam back tequila's like Oliver Reed on an Irish stag doo
And I'll wait if you stay because foggy London town's not built for me or you

Don't leave Miss Pipedream 'cause i love you!

Oooooo...

And i don't mind that she gets hammered and goes home with other guys

There's no jealousy though she'll grind it out with friends but not with me

Oh she's my Little Pipedream fantasy

Oooooo...
