Grandpa George said the heroes are the ones that run  
away  
But I wear no medals I stormed the toilet on my  
birthday  
Welcome to my circuitboard city of yellow and black  
We swallow WD40 so our hearts don't crack  
I must admit I need a speedbump  
To slow down the high brain

Have a dance  
Have a drink  
Suppress it back ruin everything  
Have a dance  
Have a drink  
Suppress it back ruin everything tonight  
Lets ruin everything tonight

Ive got a note  
Ive got a note, from my doctor  
So please release me from your average melodrama  
Ill throw a spanner in the works  
I want more chaos to disorder  
Ill throw a spanner in the works  
I want more chaos to disorder

Have a dance  
Have a drink  
Suppress it back, ruin everything  
Have a dance  
Have a drink  
Suppress it back, ruin everything  
Have a dance  
Have a drink  
Suppress it back, ruin everything  
Have a dance  
Have a drink  
Suppress it back, ruin everything tonight

Can't wait to wallow in self pity  
In my circuit board city tonight

I can't wait to wallow in self pity  
In my circuit board city tonight  
I can't wait to wallow in self pity  
In my circuit board city tonight  
I can't wait to wallow in self pity  
In my circuit board city tonight
