[Verse 1: JT Money]

Hey yo!

Life's a bitch, so why marry one?

A nigga in love with a bitch is very dumb

The PC is hoe-haters

That's the motherfuckin' reason all hoes hate us

But I don't give a fuck, 'cause all a bitch

Good for is a suck and a quick nut

Tryin' to get a nigga' riches

But I got beef for ALL y'all bitches

Tryin' to run those sex scams

In a nigga' face, gettin' fucked by the next man

But I don't care about that either

'Cause all I wanna do is fuck, then leave ya

See, I know how the game goes

Yo - fuck y'all hoes!

[Chorus:]

I hate hoes. Hoes hate me. [chanted]

[Verse 2: JT Money]

Hoes try to run that love shit

The only thing you better love, hoe, is this dick

How can you love a mack?

The only way to love me is flat on your back

Or maybe FROM the back, I get ya sexed in

Tell you to step, and call up your best friend

'Cause I know she's a bitch just like you

If you're down, she can get the pipe too

See, it's all the same

To me, a hoe ain't nothin' but a fuck thing

But if a nigga disagree',

Then you's a hoe-ass nigga to me

If you can't strike 'em, how can you pipe 'em?

A hoe is a hoe, and yo, I don't like 'em

So fuck y'all!

[Chorus]

FUCK Y'ALL HOES!!

[Verse 3: JT Money]

Stank ass hoes, I hate 'em

I get with 'em and slay them, and then I play them
'Cause they try to be slick
But all they get is a fight with a hard dick
See, the day I fuck you,
Dumb bitch, then tomorrow I duck you
'Cause you ain't got nothin' on me
And when I'm through with yo' ass, I'ma pass it to my
homies
Madd Ball and Uzi, and let the boys
Wear out that lil' coochie
And if you start walkin' out
You must be the bitch that I'm talkin' 'bout
So wise up, hoe; it's In My Nature
To hate ya, so, fuck you!

[spoken: JT] That's right, fuck all y'all raggedy stankin'
motherfuckin'
Bitches and hoes 'cause I hate you. You heard "In My
Nature," you heard "The
Bitch That I Hate," you heard "You Gets Nothin'," so
don't come to me! You
Fuck a nigga, think he gon' fall in love with you; you
know I ain't with that
Relationship shit! You ain't good for nothin' but a head
and back massage,
And if ya get mad, fuck ya whole ass!

[Chorus]
