When the sun doesn't shine
And it's cloudy and grey
And it's only the beginning
Or the wombling day.
And you've got to do the washing
For Madame Colet.
Remember

Remember
remember
remember:

Remember you're a womble

Remember you're a womble

Remember you're a womble

Remember you're a womble.

What a womble
womble
womble you are.

When it's foggy on the common
And you just can't see
And I womble into you
And you womble into me.
Just remember
we're so lucky
To be womblin' free.
Remember
remember
remember
remember

Remember you're a womble

Remember you're a womble
