Ain't no use to sit
And wonder why, babe
(Why babe, why babe)
It don't matter anyhow

Oh, it ain't no use to sit
And wonder why, babe
(Why babe, why babe)
If you don't know by now

And the rooster crows
At the break of dawn
Flap your wings
And I'll be gone

You're the reason that
I'm traveling on
Don't think twice
It's alright

Ain't no use in turning
On your light, babe
(Why babe, why babe)
The light I've never known

Ain't no use in turning
On your light, babe
(Why babe, why babe)
I'm on the dark side of the road

And I wish there was
Something you could do
To try and make me
Change my mind and stay

We never did much
Talking anyway
Don't think twice
It's alright

Do doopy do...

I'm walking down a long
Lonesome road, babe (road, babe)
Where I'm bound (where I'm)
I can't tell (can't tell)

But goodbye's too good
A word to say, girl
(Why babe, why babe)
So why don't we just
Say fare thee well

And you said you
Treated me unkind
You could have done better
But I don't mind

You just kinda
Wasted my precious time
Don't think twice
It's all right

Do do (why babe, why babe)
Do do (why babe, why babe)...
