

The Wonder Years

"Chaser"

When you clear out all the smoke, the memories of
those years
Seem dimly lit like I never replaced a light bulb.
When you clear out all the smoke, they found me on
your neighbor's lawn,
Rambling on, dizzy and upset and freezing cold.

But I know how it looked when I fell to pieces around
you.

I'm a chaser but I found stronger winds.
If you believe her, there's no going home again.
I'm a chaser, I found stronger winds.
If you believe her, there's no going home.
I'm not going home, I got suckered in.

Please, don't make me feel like a disaster.
I'm learning how to put the pieces back together
And turn the aching to composure.
I'm thinking with my head first;
No more broken phones or swollen knuckles
From putting holes in the booth by the back wall.

I'm a chaser but I found stronger winds.
If you believe her, there's no going home again.
I'm a chaser, I found stronger winds.
If you believe her, there's no going home.
I'm not going home, I got suckered in.

When you clear out all the smoke, I guess everyone's
alone.
When you clear out all the smoke, I don't see why that's
so wrong.

I'm a chaser but I found stronger winds.
If you believe her, there's no going home again.
I'm a chaser, I found stronger winds.
If you believe her, there's no going home.
There's no going home, I got suckered in.
I got suckered in.
There's no going home, I got suckered in.

There's no going home again.
