Well isn't it strange or isn't it just like me to change
again

I live in a fire and isn't it just like me the final hour
I live in a past and isn't it just like me to live too fast
Well isn't it strange or isn't is just like me to ban the
game

I'm playing the game, playing the game, playing the
game,
playing the game, playing the game, playing the
game,
playing my game, playing the game, playing the game,
playing the game, playing the game, playing the game

Isn't it strange or isn't it just like me to change again
I live in a fire and isn't it just like me the final hour
I live in a past and isn't it just like me to live too fast
Well isn't it strange or isn't is just my way to ban the
game

I'm playing the game, playing the game, playing the
game,
ban the game, playing the game, playing the game,
I'm playing the game, playing the game, playing the
game,
I'm playing the game, playing the game, playing the
game,

Well isn't it strange or isn't it just like me to change
again
I live in a fire and isn't it just like me the final hour
I live in a past and isn't it just like me to live too fast
Well isn't it strange or isn't is just my way to ban the
game

I'm playing the game, playing the game, playing the
game,
playing the game, playing the game, playing the
game,

I'm playing the game, playing the game, playing the
game,
I'm playing the game, playing the game, playing the
game

playing the game, playing the game, playing the
game,
I'm playing the game, playing the game, playing the
game,
I'm playing the game, playing the game, playing the
game,
I'm playing the game, playing the game, playing the
game
