Eloise and I were dancing
In the middle of the month of May
And the flowers & the trees were happy
'Cause everything could be this way
The following of love enchanted
Took a whisper at the winter moon
So Eloise & I kept dancing
'Till the middle of the month of June
Eloise and I were dancing
In the middle of the falling rain
And the flowers & the trees were laughing
'Cause Eloise was here again
The following of love enchanted
Took a whisper at the winter moon
So Eloise & I kept dancing
'Till the middle of the month of June
Call me far behind but the wind was in my way

Eloise & I were dancing
In the middle of the month of May
Eloise & I talk 'bout the summer thing
Eloise & I wonder 'bout the other thing
Eloise & I
Good bye Eloise
Eloise and I were dancing
In the middle of a falling down
With the mystery of life enhancing every little single
sound
And then the following of love enchanted
Took a whisper at the winter moon
Eloise & I kept dancing
'Till the middle of...
The middle of the month of ...
Eloise & I wonder 'bout the summer thing
Eloise & I talk 'bout the other thing
Eloise & I
Good bye Eloise
GOODBYE
