Talk about the world  
I see it everyday  
Talk about your heart  
And things we have to say

I can here the whales  
Whisper in trees  
I can hear their hearts  
Calling out to me

I can hear the waves  
Breaking through your heart  
I can hear your voice  
Calling from the start

I can feel the wheels  
Turning up ahead  
I can see your voice  
Telling me what's there

And the river's not too wide  
Heavy dreaming on the other side  
In the summer we'll collide  
As lovers

And talk without words  
We do it all the time  
And talking with your heart  
Melting into mine

Talk about the boys  
When you talk about the girls  
I can hear their voice  
Ripping 'round the world

And the river's not too wide  
Heavy dreaming on the other side  
In the summer we'll be fine like two lovers with a pair of  
eyes  
In the summer we'll collide as lovers

Here come the '90s, yeah, yeah, yeah

Here come the '90s, oh, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Here come the '90s, yeah, yeah, yeah  
Here come the '90s, oh, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Here come the '90s, yeah, yeah, yeah

5, 4, 3, 2, 1, in the 21st century  
Yeah, yeah, yeah  
In the 21st century  
Yeah, yeah, yeah

In the 21st Century  
Yeah, yeah, yeah  
In the 21st Century  
Yeah, yeah, yeah

In the 21st Century  
Yeah, yeah, yeah  
In the 21st Century  
Yeah, yeah, yeah

In the 21st Century  
Yeah, yeah, yeah  
In the 21st Century  
Yeah, yeah, yeah
